- 51. Middle class
- 52. Not known.
- 53. We have no first-hand knowledge of his character; he is considered by [] who has known him for 7 years, to be a generally desirable type of individual, and was recommended as such by the persons listed in PRQ I as character references.
- 54. Cannot be judged. He appears generally Western-oriented, not fired by strong ideological motivation to collaborate with any power; his mother's residence in East Germany constitutes a potential element of control by the East.
- 55. Scientific training (see PRQ I)
- 56. Not yet available.
- 57. From questionnaire which he filled out for [] in February 1957, except for question # 25, which was answered on basis of report from Berlin Documents center.
